**YOUR HOUSE HAS A HISTORY.
LET US FIND IT FOR YOU.**

Research on your home is conducted by
The Historical Society of Mount Lebanon.

LEARN YOUR HISTORY. SOLVE YOUR MYSTERY.

Is your house a Colonial or Foursquare? How about a Bungalow or a Post-War Traditional? Who was the builder? Was the original owner of the house a prominent figure in Mount Lebanon history?

The Lebo Home History program is a fundraising project of The Historical Society of Mount Lebanon. Your donation will assist our organization and help fund our various programs.

This project is designed to discover the history of your house using available records, including permits from 1924–1957 and microfiche copies of home plans.

This is also a great way to celebrate any occasion and provide a unique personalized gift to that special home-owning friend or relative.

Please note that not all information is available for every house.

We do not conduct deed searches.

THE RESEARCHER

Patricia Calvelo, a past Historic Preservation Board Member and an active Historical Society volunteer, will contact you when she has recovered your home's history.
