

THE HISTORICAL SOCIETY
OF MOUNT LEBANON

GENEALOGY FOR A GOOD CAUSE

DISCOVER MORE ABOUT YOU WHILE SUPPORTING THE COMMUNITY

WHAT IS GENEALOGY FOR A GOOD CAUSE?

A local genealogy expert will work to uncover details about your family history. The cost for the research serves as a donation to The Historical Society of Mount Lebanon to help preserve our local community history.

Jim will need some details to get started about a pair of individuals from the 1930's or earlier. He will need additional information such as name(s), place(s) lived, birth dates and location, death dates and location. Knowledge of siblings or children is a plus to get him started.

When completed Jim, member of the Mt. Lebanon Genealogy Society and of The Historical Society of Mount Lebanon will discuss all of the details in his research in a meeting at the Mt. Lebanon Library at a time and date convenient to you. Also included will be a paper copy of each record that supports the research, such as census information, birth, marriage, death records, text or pictures from books, biographies or newspaper articles.

WHERE DOES THE MONEY GO?

A suggested tax deductible donation of \$150.00 will go towards continuing efforts of The Historical Society of Mount Lebanon. If no new results are found, no donation required. If 10 or more new ancestors are discovered a donation of \$250.00 is suggested.

SUGGESTED DONATION

\$ **150**⁰⁰
