# Trooping of the Colour

**Trooping the Colour** is a tradition dating back to the 17th century. Since 1748 it has also commemorated the "official" birthday of the British sovereign. The 2022 event is especially significant as it coincides with the Platinum Jubilee of Queen Elizabeth II marking her 70th year on the throne. There will be celebrations throughout the world – plan to visit the History Center to learn more about this tradition!

*Large Trooping of the Colour toy soldier display – Explanation of the event by Britsburgh and HSML member Dave Frankowski and Photo op with the Queen! (actually, a cardboard cut-out of her)*
